

# THE PADDY HOPKIRK EDITION.

## LAUNCHING NOVEMBER 2020.

Inspired by the legendary rally driver Paddy Hopkirk who won the 1964 Monte Carlo Rally behind the wheel of the iconic number 37 Mini Cooper S, the Paddy Hopkirk Edition embodies its motorsport heritage. Offered as a MINI 3-door Hatch with a powerful Cooper S engine and limited to only 100 vehicles in the UK, the Paddy Hopkirk Edition comes with impeccable fixed specification and is available with either manual or sport automatic transmission. The edition is a modern-day nostalgic take on the renowned red rally car, featuring a white roof and distinguishable front spotlights. A particularly special nod to the original car itself is the subtle embossment of the registration number '33 EJB' into the single bonnet stripe, also featuring Paddy Hopkirk's signature. The motorsport appearance of the vehicle is also enhanced by a new interpretation of the iconic 37 racing number. Other unique Paddy Hopkirk Edition features include the cockpit fascia, door sill finishers, side scuttles and exterior decals. Additionally, the Paddy Hopkirk Edition features Piano Black Exterior with extended contents including various exterior elements in Piano Black, adding even more character to the car. Perfectly complementing the exterior design, the interior elements complete the racing look.

### STANDARD EQUIPMENT HIGHLIGHTS. In addition/replacement to the MINI 3-door Hatch Cooper S Sport standard equipment\*

Images show the Paddy Hopkirk Edition. \* For more information about the MINI 3-door Hatch Cooper S Sport standard equipment, please refer to the MINI Hatch price list. \*\* Subject to phone compatibility, please check [mini.co.uk/connected](http://mini.co.uk/connected). Figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. The CO<sub>2</sub> figures shown have been determined according to the WLTP test. WLTP has been used as the applicable CO<sub>2</sub> figure from 1 April 2020 for first year vehicle tax (VED) and from 6 April 2020 for company car tax (BIK). The CO<sub>2</sub> figures were previously based on the NEDC equivalent. \*\* OTR price is based on the Recommended Retail Price (including VAT) and On The Road charges (including delivery and emergency service, vehicle first registration fee and VED costs). Prices and technical data shown are those in effect at the time of publishing and may alter periodically subject to product changes.
